Inventor Importer Build 852 Release Notes

January 17, 2005

Importers Released

- Inventor

Version Support & Windows Compatibility

Importer	Version Support	Windows Compatibility
Inventor	9, 8	2000, 2003, XP

Improvements/Bug Fixes

Inventor	• Update for the *Actify Server* version of the importer: The importer now attempts to publish Inventor files earlier than version 8. Previously, the importer would automatically cancel the publishing of Inventor files earlier than version 8.
